PROFESSIONAL SUMMARY

Full Stack JavaScript Developer with 6+ months of professional experience building web and mobile applications using Next.js, React, Node.js, Express.js, React Native, NestJS, MongoDB, and TypeScript. Skilled in developing authentication systems, CRUD applications, responsive user interfaces, API integration, and deployment workflows. Passionate about building production-ready software and continuously improving development expertise.

EXPERIENCE

Full Stack Developer | Navarasa Services LLP

MAR 2026 – MAY 2026

- Developed backend APIs and business logic for a School ERP platform using NestJS.
- Implemented modular architecture using controllers, services, DTOs, and guards.
- Built role-based workflows supporting administrators, students, and parents.
- Developed mobile application features using React Native and Expo.
- Integrated backend services with mobile and web clients.

Software Developer Intern | Insta Biz Web

NOV 2025 – FEB 2026

- Actively involved in designing and developing responsive web applications
 - Worked on both frontend and backend technologies
 - Contributed to DB management, API integration, debugging, testing and deployment
-

PROJECTS

Journal App | Full Stack Web Application

Tech Stack: Next.js, TypeScript, MongoDB, Tailwind CSS, Node.js, Vercel

- Developed a full-stack journaling platform with secure user authentication.
- Implemented authentication and session management to ensure secure access to user data.
- Implemented user-specific journal management and protected routes.
- Built autosave functionality for seamless writing experience.
- Designed and implemented CRUD operations for journal entries.
- Created a responsive user interface optimized for desktop and mobile devices.
- Deployed the application for public access and testing.

TECHNICAL SKILLS

Languages

JavaScript, TypeScript, Python, C

Frontend

Next.js, React.js, Tailwind CSS, React Native, HTML, CSS

Backend

Node.js, Express.js, Nest.js

Database

MongoDB

Tools & Platforms

Git, GitHub, npm, VS Code, Vercel, Expo

EDUCATION

Bachelor of Arts (English Honours)

Evening College (BNMU)

Graduated: 2023

ACHIEVEMENTS

- Scored **99/100 in History** in CBSE Class XII Board Examinations – top 0.1% scorer candidate.

LANGUAGES

- Hindi – Native Proficiency
 - English – Professional Proficiency
 - Maithili – Native Proficiency
 - Japanese – N4-Level Proficiency
-
